

Top China Tour Welcomes Customers of Barringtons International

Top China Tour is proud to announce their exclusive partnership with the leading travel project and consultancy management company in Europe, Barringtons International. This partnership allows all customers of Barringtons a professional booking and ticketing service in China and South East Asia. Market leading airfares have been negotiated for the exclusive use of higher education institutions for their business travel and student travel. We have also negotiated exclusive hotel & tour rates in over 70 cities within China. Our services to you are:

Booking service & issuing of air tickets – Local & International

Group bookings

Booking service for hotel accommodation – Local & International

Booking service for private transfers & tours

24 Hour English speaking service

Individual business travel accounts for universities

Translation services

Conference & meetings bookings

Monthly Management information for all bookings made

Holding of client funds to debit for bookings made **as governed by Chinese law and protected through travel license**
